

Advantages in Choosing Camp at Summit-Questa

- *Learn and have fun in a beautiful, safe environment
- *Fun-filled lessons, activities, and events
- *Experienced teachers and assistants working with the children
- *Enjoy our beautiful 10-acre campus and...

This year, Summit-Questa Montessori is proud to announce that the on-site pool will be completed. Lifeguard-trained camp counselors will be there everyday for fun in the sun pool days. There will be plenty of water games, sports, and swimming competitions. Bad weather will no longer be a factor with our brand new 6,000 sq. ft., air-conditioned indoor sports complex. This is where students will have lessons, play games, exercise, and learn new sports.

Please register early to ensure a place for your child.

ELEMENTARY CAMP

While Camp Summit-Questa is all about fun, we believe learning can be fun as well, and it is something that should be continued through the summer break. For this reason, during camp, Summit-Questa Montessori will be exploring countries from around the world. The students will be given the opportunity to explore various cultures and traditions through lessons, art, and food.

When the campers first arrive, they will receive a mock passport with their picture inside. At the end of each week, after a country has been discussed, the students will receive a stamp in their passport booklet. Not only that, but after field trip Fridays, they will receive another stamp for participating in the weekly outing.

As always, the Elementary Camp group will go on a field trip every Friday. Some of our former trips have included: skating, bowling, water parks, nature parks, zoos, museums, ice-skating arenas, arts and crafts centers, movies, arcades, and more. The campers will enjoy on-site swimming, water play, indoor and outdoor sports.

For additional costs, other programs will be available such as: horseback riding, cooking, and language courses.

Elementary Camp Ages 5-11 Camp Hours 8:30-3:00

Weekly Rate: Non-SQMS Student Rate \$150.00
 Weekly Rate: SQMS Rate \$145.00

Summit-Questa Montessori School

is a community of educators, children, and families committed to the teaching principles and methods of Dr. Maria Montessori. The Montessori educational approach is based on respect for the individual child, respect for others, and respect for all forms of life.

The interrelationship among the child's physical, social, emotional, intellectual, and spiritual development is basic to Montessori education. At Summit-Questa, students are encouraged to achieve their full potential through work and play, individually and in small groups. These experiences allow for critical thinking, problem solving, and positive peer interaction.

Our mission is to provide an environment for all children to express themselves, experience the joy of discovery, and have a sense of community and belonging. To achieve this mission Summit-Questa has created a school atmosphere where children can respond to their natural drive to work and learn. Children may progress at their own pace and rhythm with guidance from specially trained teachers.

Through integration of these principles, Summit-Questa has created a nurturing environment where children become life-long learners who possess an enthusiasm for learning, a positive self image, and the ability to adapt to a readily changing technology in the 21st century.

Summit-Questa does not discriminate on the basis of race, religion, sex, or ethnic origin.
